I don't want a lot for Christmas  
There's just one thing I need  
I don't care about the presents  
Underneath the Christmas tree

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you

I don't want a lot for Christmas  
There's just one thing I need  
I don't care about the presents  
Underneath the Christmas tree

I don't need to hang my stocking  
There upon the fireplace  
Santa Claus won't make me happy  
With a toy on Christmas day

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you

I won't ask for much this Christmas  
I won't even wish for snow  
I'm just gonna keep on waiting  
Underneath the mistletoe

I won't make a list and send it  
To the North Pole for Saint Nick  
I won't even stay awake to  
Hear those magic reindeer click

I just want you for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you, you baby

Oh, till the lights are shining  
So brightly everywhere

And the sound of children's  
Laughter fills the air

And everyone is singing  
I hear those sleigh bells ringing  
Santa won't you bring me the one I really need  
Won't you please bring my baby to me

Oh, I don't want a lot for Christmas  
This is all I'm asking for  
I just want to see my baby  
Standing right outside my door

'Cause I just want him for my own  
More than you could ever know  
Make my wish come true  
All I want for Christmas is you

(All I want for Christmas)  
And you, and you, and you  
(All I want for Christmas)  
And you  
All I want for Christmas
