Hearts gone astray, leaving hurt when they go  
I went away, just when you, you need me so  
You won't regret, I come back beggin' you  
Won't you forget, welcome love we once knew

Open up your eyes then you realize, here I stand with  
my everlasting love  
Need you by my side, girl to be my bride  
You'll never be denied, everlasting love  
From the very start, open up your heart  
Be a lasting part of everlasting love  
Need a love to last forever  
Need a love to last forever

Where life's river flows, no one really knows 'til  
someone's there to show the way to lasting love  
Like the sun that shines, endlessly it shines  
You always will be mine, it's eternal love  
When ever love went wrong, ours would still be strong  
We'll have our very own everlasting love  
Need a love to last forever  
Need a love to last forever

Open up your eyes then you realize, here I stand with  
my everlasting love  
Need you by my side, girl to be my bride (Need a love  
to last forever)  
You'll never be denied, everlasting love (Need a love to  
last forever)  
From the very start, open up your heart (Need a love to  
last forever)  
Be a lasting part of everlasting love (Need a love to last  
forever)  
When ever love went wrong, ours would still be strong  
(Need a love to last forever)  
We'll have our very own everlasting love (Need a love  
to last forever)
