I'm headin' home agai-ain
'Cause it seems I don't fit i-in
And the world ain't a-all
I thought that it would be-ee
From this hill I'm looking dow-own
Upon that friendly tow-own
There's a place I know
That's paradise to me...

Sun always shi-ines
Down in my Rainbow Va-alley
There's one that's always mi-i-ine
Down in my Rainbow Va-alley
You can love and share a dream
Beside that crystal strea-eam
So leave me where the rainbow ends
In our valley

Bird's sweetest so-o-ong
Comes from my Rainbow Va-alley
They sing the whole year lo-ong
Down in my Rainbow Va-alley
The flowers speak to me
An' say our love should be-ee-ee
And heaven knows sweet music flows
From our valley

I'll never lea-ea-eave
I belong in Rainbow Va-alley
For life to love is free-ee
There's no wrong in Rainbow Va-alley
If ever we can fly-y
Through the cotton candy sky-y
So leave me where the rainbow ends
In our valley

Sun always shi-i-ines
Down in my Rainbow Va-alley
There's one who's always mi-i-ine
Down in my Rainbow Va-alley
I'll never lea-eave [fade]
