Sometimes I feel that I'm just wishing my life away  
I wish that things would change but absolutely ???  
Lovers look as though even when they kiss  
I believe what they say, ignorance is bliss  
I punish myself  
I've done no wrong  
Believe this world will take  
And it won't be long  
When the stars fall down  
And I fall in love

All I want to do is flow  
In the river of people  
All I  
Is an ocean of ???  
In my dreams I go  
To the river of people  
Help me Help me to  
Make my dreams come true  
I could tell you how but I could not tell you why  
I've been sold, fools gold  
And bought all the things that money can't buy  
??? that once I was in love with a pretty girl  
She never broke my heart  
I broke my heart myself  
But I've waited so long  
For the sun to shine  
Thought that I just might be wrong

?? and ???  
Don't tell me your dreams  
Cause I don't want to know  
All I want to do is flow  
In the river of people  
All I  
Is an ocean of ???  
In my dreams I go  
To the river of people  
Help me Help me to  
Make my dreams come true  
Help me help me  
Help me Help me

I've been to paradise and I don't like what I've seen  
Things I thought were so sweet only ????  
Life can be so cutting life can be so cruel  
I believe that life has left me sitting on a monkey stool  
All I want to do is flow  
In the river of people  
All I  
Is an ocean of ???  
In my dreams I go  
To the river of people  
Help me Help me to  
Make my dreams come true  
Help me Help me to  
Make my dreams come true x 4  
All I want to do is flow  
With the river of people x 4
