It fell in your eyes  
It fell on your lips  
The sweat poured between us  
With each irresponsible kiss  
But we were so invincible between our two hearts  
Like living was easy and we were the first ones to start  
Oh young love we're so blinded  
With each touch my stomach churns and my  
conscience divided  
On one hand there's morals to hold  
But you'd be a fool not to see

This is a scene  
But we're all empty  
Pity I didn't see from the tears that rolled down your  
cheeks  
Life's an unfortunate game  
You've lost but I'm the only one to blame  
I'm the machine that keeps it beating  
But love isn't real (no love isn't real)  
When your hearts not feeling
