She likes whiskey with her water
She starts dancing when the stars come out
She ain't your typical preacher's daughter
She'll leave you dreamin' yeah there ain't no doubt

There's a little bit of devil in her angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart a country mile wide
There's a little bit of devil in her angel eyes
A little bit of devil in her angel eyes

Saturday night she's rockin' out by the bonfire
Flirtin' from that tail gate n' crankin' up the dial
Come Sunday mornin' she'll be singing with the choir
Drivin' me crazy with that kiss me smile

There's a little bit of devil in her angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart a country mile wide
There's a little bit of devil in her angel eyes
There's a little bit of devil in her angel eyes

I can't stop wonderin' what it would feel like
To hold her all night
She's got that something
That sexy innocence, she must be heaven sent

There's a little bit of devil in her angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart a country mile wide
There's a little bit of devil in her angel eyes

There's a little bit of devil in those angel eyes
She's a little bit of heaven with a wild side
Got a rebel heart a country mile wide
There's a little bit of devil in her angel eyes
There's a little bit of devil in her
In those angel, in those angel eyes
