Auburn, Alabama, Phillies or Atlanta  
Is your favorite George Straight or Jones  
Jesus or Santa, Miami or Montana

There ain't a lot that we all agree on

But everybody knows a cold beer  
Tastes a little better out here in the sun  
And everybody knows the right song  
Can make you wanna dance, and drink and fall in love  
And everybody knows, girls look hot in trucks

Fords, or Chevys, Earnhardt or Petty  
It's your day off, for raffle or a fishing á<sup>1</sup>—ole  
The brunettes, and blonde ones  
Old trucks, and new ones  
There ain't a lot that we all agree on

But everybody knows a cold beer  
Tastes a little better out here in the sun  
And everybody knows the right song  
Can make you wanna dance, and drink and fall in love  
And everybody knows, girls look hot in trucks

Raise your cups, up a little prouder  
Turn the music up a little louder  
Tell me it ain't just us  
Yeah girls look hot in trucks

Everybody knows a cold beer  
Tastes a little better out here in the sun  
And everybody knows the right song  
Can make you wanna dance, and drink and fall in love  
And everybody knows, everybody knows,  
Yeah everybody knows, that girls look hot in trucks

Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na
