Rain likes to fall, sun likes to shine
Wheels like to roll, like Corona likes the lime
Junior likes to race, Skynard likes to rock it
Money likes to burn a hole in both of my pockets

Trucks like the mud, guns like the bang
Me I like to see you just doing your thing
Rivers like to run, and cars like to drive
And girls love to shake it, shake it, shake it all night

Shake it, shake it, shake it, shake it all night
Shake it, shake it, shake it 'til the morning light
It ain't that complicated and you're doin' just right
Girls love to shake it, shake it, shake it all night
Girls love to shake it, shake it, shake it all night

Preachers like the church, guitars like piping
Water likes the melon in and fries like chicken
Whiskey likes a barrel, tequila likes a shot
Bikinis like the beach and summers like it hot

We like it loud, crank it up 'til we leavin'
I wanna see the whole wide world two-steppin'
Freedom likes to ring, a flag likes to fly
Girls love to shake it, shake it, shake it all night

Shake it, shake it, shake it, shake it all night
Shake it, shake it, shake it 'til the morning light
It ain't that complicated and you're doin' just right
Girls love to shake it, shake it, shake it all night
[x2]

Everywhere we been, everywhere we go
Of all that we've learned, one thing that we know
From the banks of Mississippi to the New York lights
Girls love to shake it, shake it, shake it all night

Shake it, shake it, shake it, shake it all night
Shake it, shake it, shake it 'til the morning light
It ain't that complicated and you're doin' just right
Girls love to shake it, shake it, shake it all night

[x2]

Shake it, shake it, shake it, shake it all night
Shake it, shake it, shake it 'til the morning light
It ain't that complicated and you're doin' just right
Girls love to shake it, yeah and that's alright
