aww you know what I think we're gonna hit the club  
scene tonight  
Cause these, these girls at the bowling alley just aren't  
doing it for me these days  
I just wanna dance aww aw huh yea  
girls I see you all looking over here,  
girls won't you come on and pour you a beer  
yea I know I don't drink but what can I say  
There's no other way to start a conversation these days

so, she says " well put this on me you look like a very  
nice guy,  
I can tell cause the way your giving me the eye  
your shirt is clean and your shoes laces are tied,  
i'm liking all the cockiness and how your not shy"

baby get on the floor with me,  
cause everyday of my life's a big party  
baby get on the floor with me,  
cause everyday of my life's a big party

girls, I think you've all been waiting for this  
girl you know I have to check the list  
yea, you know I don't check but what can I say  
It's the only way to keep a regulation today

you all look absolutely fantastic,  
some of your girls make-up is kinda drastic  
i'm just asking you one question, just one question  
do you wanna come dance?  
do you?

baby get on the floor with me,  
cause everyday of my life's a big party  
baby get on the floor with me,  
cause everyday of my life's a big party

wait a second, who's that girl all alone standing there?  
wait a second, who's that girl all alone long blonde  
hair?  
we don't leave anybody out espically that good looking

baby get on the floor with me,  
cause everyday of my life's a big party  
baby get on the floor with me,  
cause everyday of my life's a big party

baby get on the floor with me,  
cause everyday of my life's a big party  
baby get on the floor with me,  
cause everyday of my life's a big party
