As medication to my eye, i look forward to see you walk
by
buy you anything in any size, i'll keep you spoiled in the
high rise
the way you move that body of yours, you got no
worries itll open all
doors
that brand new car it can be yours, just give me more

you sweet thing...oh my lord
i give you everything thing...for your pot of gold
you sweething...dont know what you hold
you sweething...oh my lord
hey there lady excuse me miss, ill bring you every love
bond there is
i'll leave you up oh so so high, i'll leave you diamonds
in the sky
when i first seen you it was like a bolt, bringin
everything to a holt

you sweet thing...oh my lord
i give you everything thing...for your pot of gold
you sweething...dont know what you hold
you sweething...oh my lord
