If I had fun
I would've stuck around
With a little bit of sympathy
We would have had it made
I've been searchin'
Yeah, I even cried
I've been learnin' and getting by

Scares a stranger
Was our friend
We made a beginning
Never made the end
I've been learnin'
Yeah, I even cried
Not burning bridges for some piece of mind

If we were to fight
Would you know what to say ?
You had it all
Did you give it away ?
I'll side with you
My friends, they defend me
When I'm broken, she connect me
I'll side with you

If I had fun
I would've stuck around

With a little bit of sympathy
We would have had it made
I've been searchin'
Yeah, I even cried
I've been learnin' and getting by

If we were to fight
Would you know what to say ?
You had it all
Did you give it away ?
I'll side with you
My friends, they defend me
When I'm broken, she connect me
I'll side with you

(I doubt these lyrics are right,
but it was the best I could do trying
to understand what he was saying)

I'll side with you!
I'll side with you!
My friends, they defend me!
When I'm broken, she connect me!
I'll slide with you!
