Only my semen  
Full moon it is  
Only my semen  
Solitary night it is  
Only my semen  
Full moon it is  
Only my semen  
Diabolical wind it is

I summon the night  
For darkness give me shelter in its arms  
I summon the storm  
For wind spread my beauty hidden in fire

I stalk towards the endlessness of thoughts  
Moonlight be my guide  
I stalk towards the eternity  
Moonlight be my guide

In magic circle  
My soul shall find

Her time  
In the ritual of blood  
I shall find the existence

Only my blood  
Is the devilish truth  
In the maze of my soul

Only my semen  
Full moon it is  
Only my semen  
Solitary night it is  
Only my semen  
Full moon it is  
Only my semen  
Diabolical wind it is

...Mephistospell...  
...Mephistospell...

Only my blood  
Is the devilish truth  
In the maze of my soul...
