Behold, I am the Beast  
Behold, I am the Only One  
Chosen by the Abyss  
And messenger of Truth...

With Cleansing Force  
I restore the Universe  
Building Order  
New World...

Behold, I am the Beast  
Inscribed Mark  
In the Book of Khao'tsu  
Ashes shall I leave behind  
And confusion...  
Because Nothingness fills  
My heart for the God of Cross...

Damnation flows in my Veins  
Marked with Fire  
And Fire I Rule  
Because Nothingness fills  
My heart for the God of Cross...
