He likes me

Hes fine

Im gonna make him mine oh mine

He likes drugs

I dont agree

He aint ever gonna change for me

(i have to skip this part as i dont no it)

[Chorus]

The boy who lives at house number 43

He thinks hes special and the thinks hes the 1 for me

Hes always playing my favourite pair's c.d

[verse 2]

He took me on a date

it all went wrong

thats why im singing this god dam song

he got me a rose and it looked half dead

i even remeber the words he said

[Chorus]

The boy who lives at house number 43

He thinks hes special and the thinks hes a bit like me

Hes always playing my favourite pair's c.d

[verse 3]

all the things he's said

running through my head

why dont he realise hes not the one for me?

All the things he's said

running through my head

he thinks hes gorgeous but hes not right for me

[Chorus]

The boy who lives at house number 43

He thinks hes special and the thinks hes a bit like me

Hes always playing my favourite pair's c.d

(dont no this line)
