Yeah Right!
Yeah Right!
Yeah Right!
Yeah Right!
Yeah Right!

I used to sit by you at school
I used to think you were so cool
Remember when you said you'd wait for me
Then you copied my Biology

All my friends were jealous
They all fancied you
Never thought it would happen to you

[Chorus]
Well you broke my heart
So I broke your nose
And I'm not sorry
That I got blood on your clothes

Well you broke my heart
So I dyed your eyebrows too
And I'm not sorry
That your mates all laughed at you

Remember when I taught you to dance
But you didn't really stand a chance
Two left feet standing next to me
I was picking up your Chemistry

All my friends were jealous
They all fancied you
Never thought it would happen to you

Well you broke my heart
So I broke your nose
And I'm not sorry
That I got blood on your clothes

Well you broke my heart
So I dyed your eyebrows too

And I'm not sorry
That your mates all laughed at you
Well you broke my heart
So i found someone new
(And he's better than you)
And I'm not sorry cuz now you know the truth
(Yeah you do)

You wanted to come 'round to my house
I didn't know what for
You came up to my bedroom
You said you didn't want me no more

All my friends were saying
"Yeah, we told you so"
But I don't care
What do they know

Well you broke my heart
So I broke your nose
And I'm not sorry
That I got blood on your clothes

Well you broke my heart
So I dyed your eyebrows too
And I'm not sorry
That your mates all laughed at you

Well you broke my heart
So I dyed your eyebrows blue
And I'm not sorry
That your mates all laughed at you

Yeah right
Yeah right (well I broke your nose)
Yeah right
Yeah right (got blood on your clothes)
Yeah right
Yeah right (You wouldn't put up a fight)
Yeah right
Yeah right
Yeah right
Yeah right
Yeah right!!!
