Hey! Good morning, my friends! kyoo mo tanoshiku

RIZUMU nosete hazimaru yo KANIBARU

Hey! Good morning, my friends! It's a fun day today,
let's go.
The carnival picks up a rhythm and begins!

100 PAASENTO kokoro no tenki wa kaisee
MUZUMUZU sawagu abaredashisoo na tokimeki

The weather in my heart is 100% wonderful.
The excitement that seems to grow is itching inside.

PAWAA zenkai zunbi wa OK sa
byooyomi SUTAATO 3-2-1

Full power! Preparations are OK!
Start the countdown. 3, 2, 1, 0!

[1]saa tobidasoo! HACHAMECHA WAARUDO e
kodomo no mama mechakucha ni hazyagoo

Come, let's fly to the crazy world.
As kids, let's frolic ridiculously.

Say! Good luck, all my friends! ashita mo hareru ka na
MERODI nagare tsuzuiteku KANIBARU

Say! Good luck, all my friends! It'll be clear tomorrow,
won't it?
The melody flows and the carnival continues.

chotto yarisugi? BAREnai uchi ni nigechao
kookai shinai itsu de mo ima o ikiru no yo

Did we do overdo it a bit? Let's run back to the house
were we won't get caught.
We won't regret it. We always live for this moment.

wagamama hoodai okorazu yurushite ne

hontoo wa daisuki da kara

As selfish as we are, don't get angry and forgive us,
okay?

Honestly, it's because we love you.

saa guridasoo! HACHAMECHA PAREEDO e
warai nagara muchakucha ni odoroo

Come, let's set off to the crazy parade.
While we're smiling, let's dance ridiculously.

Say! Good luck, all my friends! itsu de mo issyo da yo
uta ga hibiki moriagaru KANIBARU

Say! Good luck, all my friends! We'll always be
together.

A carnival will rise in the echos of our songs.
