DAN DAN otona ni HAMATTERU kodomo-tachi ni wa

DAME DAME!!

Children are gradually being mistaken by adults.  
I shocked.  
If I'm told not to be so loud, I'll change. Even in this  
world,  
it will really come to view.  
Where in the world is it?  
Even when I look here and there,  
I can't find happiness.  
If I become lonely, there are even times when I seem to  
becomespoiled but  
NO NO!!

[1]DAN DAN otona ni somatteru kodomo-tachi  
motto, ganbaroo

Children are gradually painted as adults  
let's do more of our best.

DAN DAN katachi ni HAMATTERU otona-tachi wa ne  
ziyuu zya nai ne  
sanzan usotsuki ni natteru HUEMINISUTO

acchi kocchi o sawagaseba

konna chiccha na itazura kasanete bakari irarenai yo,  
mirai wa  
sugu soko!!

I gradually mistaken for my size. As adults, right?  
That's not freedom, is it not?

I'm becoming terrible liars. Feminists.  
Is it that fun?  
Everything may break down.  
If I make noise here and there,  
It's a meaningless happiness.  
This type of small joke, I can't be that even for one  
more time. The future  
is just around the corner!

zenzen dare ka ni somattenai otona e to  
motto, ganbaroo

I'll never be painted as just a somebody. To adulthood,  
I'll do more of my best.

samishiku nareba dare ka ni amaete mitaku naru toki  
mo arukeredo  
DAME DAME!!

If we become lonely, there are even times when we  
seem to become spoiled but  
NO NO!!
