My words are mutters

My words are mutters
so far I can't speak at all
Words like rain on the roof
You never understood
when I said I meant this

Muttered Muttered
Muttered Muttered
Muttered Words
Mutters

Now
Now your name
Your name

You take the words from my lips
Every time I try to speak

You have more to say
So much more to...

Say it
So say it
fucking say it
Just say it

I'm open now and I'm hoping you aren't coming in
Dependence, you're dependent
I swear
I've never seen you with Jesus
I've never seen you with Jesus
I've never seen you with Jesus
Never seen you on your knees
