[Verse 1]

I took the time  
To take a further look into this controversial  
Problem that keeps on occurring,  
That keeps on reoccurring

If you even try to

Understand me you wouldn't be able to  
Just because you wont take time to,  
Just because you don't take the time to

[Pre chorus]

Even notice who we are.

And baby where weve been.  
Cause I'm telling you  
That it's all far from where I want it to land.

[Chorus]

Apparently,  
Baby apparently.  
I'm not showing you what you want to see?  
What you want to see.

[Verse 2]

If I even try to understand you  
I wouldn't be able to.  
Just because I wont take the time to  
Just because I wont take the time to even notice who I  
am  
And baby where I've been  
Cause I'm telling you I'm falling faster  
Than I ever have.

[Chorus x2]

[Break]

Come lean with me.  
Come rock with me.

I've been waiting so patiently.  
Come lean with me.

Come rock with me.  
Surely you'll see I'm all you need.

[Chorus]
