So please tell me  
Why and how this came to be  
Because I'm already suspicious.  
So very suspicious.

[Verse 1]

Pale lipstick with dirt on your back  
I bet you had quite the night.  
So let me guess how it all started.  
From the car, to the stairs, from the stairs to the bed  
Where you took off your clothes and showed how  
Classy you can be.

[Pre Chorus]

She said that everything would be fine after all.  
Now look whos crying.

[Chorus]

So please tell me why and how this came to be.  
About a girl whos so called fire.  
Yeah she's so called fire

[Verse 2]

And for every time you really thought wed make this  
through  
Tell me why I never ever really got the clue.  
I'm done with being stuck to you.  
And for every time I knew that this would never fall  
through  
Tell me why I never ever really got the clue on what you  
do.

[Pre Chorus x2]

[Chorus]
