Hello morning  
Now when does the fun begin  
Goodbye morning  
Sorry it had to end  
But see I cried just a little too long  
Now it's time for me to be strong

Hello morning  
I sure missed you last night  
Goodbye morning  
You just won't do me right  
I stayed just a little too long  
Now it's time for me to move on

They say I'm hopeless  
As a penny wit a hole in it  
Penny wit a, penny wit a hole in it, yeah yeah yeah  
They say I'm no less  
No less, no less, no less, no less  
Than up to my head in it  
Hey hey hey hey, yeah yeah yeah

Hello yesterday  
I sure need you now  
Goodbye yesterday  
I just can't stay around  
You see I cried just a little too long  
Now it's time for me to be strong

Hello yesterday  
Remember how it used to be  
Goodbye yesterday  
I can't take you with me, no, no, no I can't  
You see I stayed just a little too long  
And now it's time for me to move on

They say I'm hopeless  
Hopeless, hopeless, yeah  
As a penny wit a hole in it  
They say I'm no less  
No less, no less, no less, no less, no less  
Than up to my head in it

Oh yeah, yeah

They say I'm hopeless

They say I'm hopeless, hopeless

Yeah, yeah, yeah, yeah

As a penny wit a hole in it

Penny, penny, penny wit a hole in it, hole in it, yeah

They say I'm no less

No less, no less, no less, no less

Than up to my head in it

Hey hey hey hey
