Two people just meeting, barely touching each other
Two spirits greeting, trying to carry it further
You are one and I am another
We should be one inside each other

You can see inside me, will you come inside me?
Do you wanna ride inside my love?
You can see inside me, will you come inside me?
Do you wanna ride inside my love?

My love, my love, my love, my love, my love, my love

Two strangers, not strangers, only lacking the knowing
So willing, feeling, infinite growing
While we're here, the whole world is turning
We should be one, fulfilling the yearning

You can see inside me, will you come inside me?
Do you wanna ride inside my love?
You can see inside me, will you come inside me?
Do you wanna ride inside my love?

You can see inside me, will you come inside me?
Do you wanna ride inside my love?
Inside this love with me, come ride inside this love with
me

You can see inside me, will you come inside me?
Do you wanna ride inside my love?
You can see inside me, will you come inside me?
Do you wanna ride inside my love?

You can see inside me, will you come inside me?
Do you wanna ride inside my love?
You can see inside me, will you come inside me?
Do you wanna ride inside my love?
