Hello baby, I had to call you on the phone  
Hello baby, I had to call you on the phone  
'Cause I feel so lonesome  
And daddy wants his baby home

It's a down right rotten, low down dirty shame  
Oh, it's a down right rotten, low down dirty shame  
The way you're treatin' poor me  
You know I'm not to blame

Oh, Jelly, Jelly, Jelly  
Jelly stays on my mind  
Well, well, well, well, well  
Jelly, Jelly, Jelly  
Jelly stays on my mind

Oh, Jelly Roll killed my papa  
And drove my mama stone blind  
Oh, yes she did, yeah

Oh, Jelly Roll killed my papa  
And drove my mama stone blind  
Yeah, yeah, yeah, yeah  
Oh, yes she did, yeah
