I have failed so many times to become the person  
The person that I long to be  
Perfection, the standard of my everything  
Unable to realize I bring my fall

Perfection, a task not possible  
I try so hard, not hard enough  
My God, lived without sin  
Myself, I'm indulged in it

My god how long I will sing this song  
And my god how long til I come home?  
My god I'll sing until I have no breath  
And my god come and take me home

Blood stained hands carry my sins  
My hands carry no such wounds

Your eyes have searched for me  
I look away. I look away

I have failed to be the person I strive to be  
I fall so short to the expectations  
You wore the crown of thorns, as I wear the crown of  
shame

Your eternal sacrifice  
Has torn a hole inside my heart  
I fail to sin, not for the last time  
I will rise back up, and carry on

My flaw of the man I shouldn't be  
Is not the man you died to see  
So I'll learn to be who I should be  
And give back to you, and give less to me
