Pigs need masters and masters need pigs  
To follow they believe is going forward  
Hear me now as I bring you the hope  
I will destroy your future  
Erasing words that built up nations  
And pigs still proud of the past  
Build yourself with blood and dust  
The hourglass is waiting and needs your time

I despair the horrors of horrors - birth  
Abomination about all others - birth

The hourglass is waiting  
The hourglass is waiting  
The hourglass is waiting  
The hourglass is waiting

Dead inside  
Principles above all men divided  
Dead inside  
Sickness infecting the lunar frailty

And stars sink in the patterns logic  
Undivine my sights  
Blind my faith  
Perverse angel, learn me the exclusive discipline of  
torments

Rest - lies in the hands of death  
Hell's strange crest  
Life's opulent ordeal  
Reverse the silent ones

REVOCAION  
REVOCAION  
REVOCAION  
REVOCAION

Dead inside  
Views of inferior dwellings  
Minds saturated with guilt  
Narcotic narcissistic

Luminaries among the blind

The hourglass is waiting

The hourglass is waiting

The hourglass is waiting

The hourglass is waiting
