Bleeders, leaders, bottom feeders  
Muddy floods of blood  
Heat meat barbers seat  
Hair, friends, and hair cut trends  
Lie's, cries, everyone dies  
Grins, sins, and Sweeney wins  
Bleeders, leaders, bottom feeders  
Grins, sins, and Sweeney wins

He never forgot, He never forgave  
Man pies and close cuts was all that he gave  
Do you like how it feels to die from a shave  
With his knife at hand, His arm is complete

The right to slit one last breath,  
Gives the right to loan one last death  
And the blades of the barber will only cut farther,  
As he shaves off your face  
Your bloods all over the place

Dripping rubies, Apon the floor  
Nothing now, There's nothing more

He's cutting right through you,  
Nothing ever you can do  
Man pies, blood on the walls  
In the fire dead men crawls  
Blades scrape the meat off bone  
In the pit your bodies thrown  
God stabbed his martyrs back  
In the fire he's intact

He never forgot, He never forgave  
The death of his wife led him to his grave  
You love his eye's  
And his hair is your fav  
He will not rest until everyone is dead.

The right to slit, One last breath  
Gives the right to loan, one last death  
And the blades of a barber will only cut farther  
As he shaves off your face

Your Bloods all over the place

Breath in, Bleed out

Breath in, Bleed out

Dripping rupies, Apon the floor

Nothing now, there's nothing more
