Days of days over you...
Mune ni kaerebakimi wo saru miss it
Hitorikirimatteru body
Worrying about it won't solve anything
Harenu mi wa poor hibi mo naku so
Rainy days get you down
Sono mune no door ayumou atarashiki road
Days of days over you
Hitorikiri matteru body
Days of days over you
Hitorikiri matteru body
Days of days over you
Dream on days over you
Yume de mada did it samenu mama miss it
Hitorikiri matteru body
Worrying about it still want in the same
Kara ni naru body itoshi hi forever
Rainy days let me know
Kono mune no doordays of days over you
Days of days over you
Hitorikiri matteru body
Days of days over you
Hitorikiri matteru body
Days of days over you
Dream on days over you
Days of days over you...
