Flaming sun comes up & steps on my toe
world seems realized it's kind of worn out
live to love and feed on freedom
vermilion in horizon in my hands

Itsuka no omoide ga furueteru lover
oh! Kanashimi de nakenai liar
Oyoidemo keshi enai nanika wa
Kimi n naka sagashite Low

Yuraida eizou kasanaru life is nowhere
Kaze ni norikomu wanna fly more farther
Eien kara naru IMEEJI ja kienai fuan

Chiheisen kara miru sekai wa round
Atemonaku kuridasou ka?

Oh! get back there
Ukanderu butai kara fall on
well...kimi to wa nan to naku far away babe
Katari kirenai kurai
Yume n naka sagashite Low

Kawaita byousha wa AKAPERERA no flash back time
Asu wo nomikomu you na tiny caiman
Soko mo nai shoe kataribe wa loop
get back woo...
Chiheisenjou no kage yori DAIVU
Atemonaku kuridasou ka?

Life is down below
live for life, we are free

The day is dreaming
crisis is down below
Low...
Life is down below Ah!

Chiheisen kara miru sekai wa round
Atemonaku kuridasou ka?

Itsuka no omoide ga furueteru lover
Oh! Kanashimi de nakenai liar, prayer
Soutou folky style gouin na modify
Taitei wa asu wo matsu life is nowhere
Sarigenai fuitchi tomedonai shisaku
Yoin mo naku GEEMU wa mou climax
Kurikaesu MESSEEJI wa imi mo naku dark
get back oh!

Life is down below
live for life, we are free
the day is dreaming
crisis is down below

Flaming sun comes up & steps on my toe
world seems realized it's kind of worn out
live to love and feed on freedom
vermilion in horizon in my hands
