I don't cry  
Unmei no chapter  
Kimi ga FURARI to high way  
Up above the sky  
Seijaku no Master  
Yuke yo mind your step  
Gyoukan no bus  
I just wanna be alive  
Colored sky  
Ryuusei no after  
Yume wa sajou no flower  
Under the sun  
Enmei no border  
Mienai you ni day by day  
Kimi kara utsu heart beat  
Ima maiorita stage  
Yuke yo mind you step  
Yuukan ni touch  
Suki ni yaru no sa  
I wanna be alive  
I wanna be alive  
\*\* Night is falling down  
Soon there would be no light  
Day across the universe  
\*\*\* Life is lying down  
Soon there would be no light  
Mind across the universe  
Ai ga furashita rain  
At the moments in lifetime  
Kimi no oku no over the rainbow  
Please don't cry  
Tamari no song bird  
Kiri ga kimi wo hide away  
Look up to the sky  
Seijaku no laughter  
Houyou wa day by day  
Sensan ni touch  
I just wanna be alive  
Yukou break these chains  
Suki ni yaru no sa  
Never mind  
I wanna be alive...

\*\* repeat  
\*\*\* repeat  
Ai ga furashita rain  
Urei ga naita days  
At the moments in lifetime  
Kimi no me ni colors of the rainbow  
Over the colored sky  
\* repeat  
Up above the sky  
\*\* repeat  
\*\*\* repeat  
\*\* repeat  
\*\*\* repeat  
Ai ga furashita rain  
Urei ga naita days  
Kimi ga egaita love  
At the moments in lifetime  
Kiri ga saku rainbow  
Wanna be alive...
