Been a long, fine time  
Must be something wrong if I'm selling mine  
Been long, can't you see  
It ain't you and I, we don't run into eternity  
Look back, better days  
Passed us by, let it slip, done, fade away  
Look back, ecstasy  
Sun burnt gold into the breeze, I'm on my knees  
Clear to find, we'll come out alive  
Clear to see, it's time to let this be  
Clear to find, we'll come out alive  
Clear to see...  
Look back, better days  
Passed us by, let it slip, done, fade away  
Look back, ecstasy  
Sun burnt gold into the breeze, I'm on my knees

Clear to find, we'll come out alive  
Clear to see, it's time to let this be  
Clear to find, we'll come out alive  
Clear to see...  
Guess I will be moving on to find me a home  
Seeking me, a soul for me to keep  
Lost the comfort of my friend  
Another stitch for time to mend  
I sing this song and drink myself to sleep  
Clear to find, we'll come out alive  
Clear to see, it's time to let this be  
Clear to find, we'll come out alive  
Clear to see....
