Damn all the days
7 rainy day girls
Wake at my sleep singing
Damn all the days

7 years ago today
There was a young man in my place
I never stop to count the days
7 years ago

Damn all the days
That there's no conversation
We're dumb but still talking
Damn all the days

7 years ago today
I was a young man in my way
I never stop to count the days
7 years ago

I wanna be wanted in my time
I wanna think time is on my side
I wanna be standing in my shoes
I wanna be just like you

Damn all the days
7 names that remind me
Sundays have failed me
Damn all the days

7 years ago today
I was a young man in my way
I never stop to count the days
7 years ago
