I'm watching the world go round
I'm watching the world's end
And I could get lonely
If this is a lie she said

This is the end
Fall on tears all my friends
This is the end
Fall on tears all my friends

Mary don't know me
Mary don't owe me time
Promises don't come
Miracles leave me blind

This is the end
Fall on tears all my friends
This is the end
Fall on tears all my friends

I'm watching the world turn
I'm watching the sun go down
I'm watching the sky fall down like rain
And I see my way

Nothing can save me now
No one hears you fall
And who cares anyway

Mary don't know me
Mary don't owe me time
And I could get lonely
Watching the world unwind

This is the end
Fall on tears all my friends
This is the end
Fall on tears all my friends

This is the end
Fall on tears all my friends
This is the end

Fall on tears all my friends
