What if I fall, get a bad cough
What if I
What if I stop?
Annie said over my bed
There's a rainbow
What if I
What if I'm dead?

Annie said
There's no new day
'Till the old day's done
And the sun goes down
And the world goes home

What if I sleep and I can't wake?
What if I
What if I break?
Annie said
What if I sleep and I can't dream?
What does that
What does that mean?

Annie said
There's no new day
'Till the old day's done
And the left hand takes
What the right hand's got

I breathe in
I breathe in
I go all the way
To save my life
I breathe in

Over my bed
There's a rainbow
What if I
What if I'm dead?
Annie said
What if I fall, get a bad cough?
What if I

What if I stop?

Annie said
There's no new day
'Till the old day's done
And the sun goes down
And the world goes home

I breathe in
I breathe in
I go all the way
To save my life
I breathe in

I breathe in
I breathe in
I go all the way
To save my self
I breathe in
