It's raining
In Saint Mary's gate

Watch the dirt
From the dirty street
Pour down and make it clean
Dirty water

Do like we all do
See what you want to
Lay your head down
Sweet smile

Who's got what God is on?
Who turned the lights out on
All I wanted
All I wanted

From where the mountains stand down
Down to the ocean strand
All I wanted
All I wanted

I've been thinkin'
I talk to myself
And we talk while the oceans rise
Out of a dirty sky
Nail the door shut

Do like we all do
Say what you want to
Move your mouth
Speak soft lies

Who's got what God is on?
Who turned the lights out on?
All I wanted
All I wanted

From where the mountains stand
Down to the ocean strand
All I wanted

All I wanted

I'm standing
In a summer day
Raise my hand
Wave goodbye

Who's got what God is on?
Who turned the lights out on?
All I wanted
All I wanted

From where the mountains stand down
Down to the ocean strand
All I wanted
All I wanted

We fall
All the way
All the way
We fall
All the way
