In the morning when I wake up
As I comb my hair
I can hear my daddy saying
"It's a big big world out there"

While putting on my make-up
His words linger in the air
"Just use much love I gave you
That you can make it anyway"

I'm so glad that I'm a woman
I, and know I wouldn't trade
I know I got it made

We are the life line of mankind
And now is the time for me
Life is much a challenge
Live it day by day
You never know what's gonna happen
A what might come you way

Just stop and think about it
There is nothing we can do
We can't live without us and
We can't live without them too

I'm so glad that I'm a woman
I, and know I wouldn't trade
I know I got it made
