I got to know  
I got to know why  
Whenever you're near  
I'm on a natural high  
You got to show  
You got to show why  
Whenever we meet  
I never can say goodbye

Monday I'm so sore  
And tuesday I'm at war  
Wednesday is a gray day  
Like all the ones before  
Thursday I'm too sad  
And friday's such a drag  
Saturday will fade away  
But sunday I'm glad

Stay in bed  
With coffee and cigarettes  
Come rest your head  
We play some old cassettes

I wanna know  
I wanna know why  
Whenever you're near  
I believe I can fly  
You got to show  
You got to show why  
Whenever we're close  
I can reach for the sky

Monday's just a bore  
And tuesday lock the door  
Wednesday's such a dull day  
We had this all before  
Thursday's on the rag  
And friday'll always nag  
Saturday's a sad day  
But sunday I'm glad

Stay in bed

With coffee and cigarettes
