Collide
We can't wait forever
My heart is open wide
Divide
It is now or never
Come on step inside

We have talked
And fought about it
With no end in sight
This is it
My final offer
It's up to you, decide
Ayayay

I can't believe
The escalation
Why did we lose control
We could have been
Just broken-hearted
Now we're broken souls
Ayayay

Collide
We can't wait forever
My heart is open wide
Divide
It is now or never
Come on step inside

We have talked
Around the table
Tried so civilized
But I would rather
Love or hate you
Adore you or despise
Ayayay

Collide
We can dance forever
My heart is open wide
Divide

It is now or never
