Come on over
Fix my head
Cleaning up
My garbage soul
I still know
Our arrangement
But all you leave is
My garbage soul

If you're looking
For something
That will last
Don't mess with me
'cause I never
Was in love
With anyone
Longer than a week

Did you crawl
In my bed last night
'cause I dreamt of you
Did you shake me
One more time

Like you used to do

Do me a favor
I need you to
Eat me up
Me and my garbage soul
And put my mind
Back in place
I didn't know
A garbage soul

Was it wrong
The way we were
Not at all
It was so small
I just didn't
Know exactly
What to expect

Now it's huge
