Have you ever been in love
And have you ever felt the rain
Have you ever been so restless
Sleepless nights drive you insane?
Have you ever been in love
And have you ever felt the pain
Cuts like a ball and chain
Ball and chain?

I lie awake in bed all night
And turn from side to side
Gotta find a way to open up
My love for you can't hide
Everytime i try to tell you
All the words will come out wrong
So all i do is sing for you this song

Have you ever been in love
And have you ever felt the pain
Have you ever been so restless
Sleepless nights drive you insane?
Have you ever been in love
And have you ever felt the rain
Like tears in vein
Tears in vein?
[Have You Ever Been In Love? lyrics on]
I swore it would't happen
Yes i said we'd stay just friends
Allthogh i knew it be impossible
In tears it always ends
Everytime that i think of you
All the thoughts still come out wrong
So all i do is sing for you this song

Have you ever been in love
And have you ever felt the rain
Have you ever been so restless
Sleepless nights drive you insane?
Have you ever been in love
And have you ever felt the pain
Cuts like a ball and chain
Ball and chain?

Tomorrow i will tell you
Yes tomorrow you will know
All the things that i feel for you
And i hope you won't say no
But i know it always happens
All the words still come out wrong
So all i'll do is sing for you this song
