Zebras are smokin  
In fucin cold water  
We jaunted along the beach  
In a srange kind a way

He said "girl you lookin bugged"  
She said "i'm bugged, always buggin"  
He said "girl you lookin bugged"  
She said "i'm bugged, always buggin"

Na na na na na na na  
Strangefruit  
Na na na na na na na

We stopped for a passing panter  
To make shure that we was safe  
And we checked some pay phones  
For left over some change

She said "i bet you ain't got my problems"  
He said "oh, I bet I don't"  
She said "i bet you ain't got my problems"  
He said "oh, I bet I don't"

I used to laugh with you  
Now all I do is cry  
And I just wanna say  
Fuck it fuck you

We started to graze  
At the sidewalk cafe  
I fished in my pocket  
For the last tabacco dinner
