You leave in the morning  
With everything you own  
In a little black case  
Alone on the platform  
The wind and the rain  
On a sad and lonely face

Mather will never understand  
Why you had to leave  
For the love that you need  
Will never be found at home  
And the answers you seek  
Will never be found at home

Run away turn away  
Run away turn away

Run away

Pushed around and kicked around  
Always a lonely boy  
You where the one  
That they'd talk about around town  
As they put you down  
And as hard as they would try  
They'd hurt to make you cry  
But you'd never cry to them  
Just to your soul  
But you'd never cry to them  
Just to your soul
