i get to the airport  
around ten to three  
then i pass the border  
cigarettes and duty free

i find a fashion magazine  
to pass the time  
now i really miss you  
girl but i still feel fine

i get on the airplane  
with my old guitar  
someone's staring at me  
yeah it's true baby  
i am a star

transatlantic flight  
i'm alright  
no gravity no night  
flying out of sight  
transatlantic flight  
hold on tight  
no, i'm not scared of heights

uh uh uh uh uhhhh  
uh uh uh uh uhhhh

i look out the window  
watch the streets fade away  
now i'm almost crying  
maybe i should have stayed

i'm flying so high above  
the clouds we got so far  
then i loose myself  
yeah it's true baby  
i am a star

transatlantic flight  
i'm alright  
no gravity no night  
flying out of sight

transatlantic flight  
hold on tight  
no, i'm not scared of heights

uh uh uh uh uhhhh  
uh uh uh uh uhhhh
