Five to three  
Walls of candy  
Sign my name on the dotted line  
Next to yours

You found the ways to move faster and stay healthy no  
contra  
All these words are just a matter of time  
You're like a snake in the water, with shiny skin, a clear  
conscious  
Vemons fade in just a matter of time, in just a matter of  
time

A matter of time  
A matter of time  
A matter of time

And too cold for kisses, 'cause I've fallen from heaven  
Your halo is just a punch in my face  
You're all the rage, you're all the fun but ever if you  
cross me I'll get you  
Sweet revenge is just a matter of time, it's just a matter  
of time

A matter of time  
A matter of time  
A matter of time

And so you're striking but  
You're savage when you cut into my beautiful infection  
But I can't help like it when we touch  
Oh haven't we reaped enough to fill this room with  
sweet love, yeah
