I think you're swelling  
Ready to sink and swallow  
Is this your true love?  
It's a pleasure to meet you, America

Wait for signs of youth  
Wait for signs that never arrive

Ringin' your bell and  
Angers of pandamoranda

Wait for signs of youth  
Wait for signs that never arrive

Like this is a white coliseum and you are the fighter  
Why not pretend that you have the strength of  
victorious men?  
And let's say the bull is nearly approaching with speed  
and agility  
Take off your shirt and wave in the air 'cause you are  
the sign
