Here we go again  
We'll fight  
Then we'll make up  
It's no way to live life

Time to let it go  
Say goodnight  
For tonight  
And the rest of our lives

La de la de la la  
La la la la la  
La la la la

One last time down this road  
I'm driving you home  
Better off on your own...alone  
Each mile-long memory..of better days  
I don't want you to go...home

Home

Open my mind to see  
Been driving blind  
Moving through the night  
Something doesn't feel right

We were meant to be  
Made up my mind  
When life is going wrong  
I'll stand by your side

One last time down this road  
I'm driving you home  
Better off on your own...alone  
Each mile long memory...of better days  
I don't want to let go...no

Don't give up tonight  
Stay and fight  
I know this road is long

Whether right or wrong  
We'll carry on  
'Cause this road I chose leads us back where we...  
This road I chose leads us back where we belong

One last time down this road  
I'm driving you home  
Better off on your own...alone  
Each mile-long memory...of better days  
I don't want you to go...home

Doot doo doo doo doo  
Doo doo doo doot ooh-oo  
Doot doo doo doo doo  
Doo doo doo home

Doot doo doo doo doo  
Doo doo doo doot ooh-oo  
Doot doo doo doo doo  
Doo doo doo home

If it makes sense that you're driving me  
if it makes sense, it's make-believe  
If it makes sense that you're driving me  
It it make sense, it's make-believe

If it makes sense that you're driving me  
if it makes sense, it's make-believe  
If it makes sense that you're driving me  
It it make sense, it's make-believe
