"Goodbye My Love"

So, this isn't where you thought we'd be,
You explained.
And now, you leave it up to me.
I'll go, move on.
I'll scream so nobody can understand me.
I'll find, replace with you with a better mind.
They sing our song, they cheer us on, and make it all
worthwhile.
So, this isn't where you thought we'd be,
You explained.
And now, you leave it up to me.
Farewell, my love.
Say "hello" to state lines, separate our whole life.
Farewell, my love.
Say "goodbye" to girlfriend, you'll text her from the
road.
They sing our song, they cheer us on, and make it all
worthwhile.
They always come and go.
They sing our song, they cheer us on, and make it all
worthwhile.
