Left to the right foot,
Left to the right foot,
Left to the right foot,
Out the door,

Left to the right foot,
Left to the right foot,
Left to the right foot,
Out the door,

Left to the right foot,
Left to the right foot,
Left to the right foot,
Out the door,

Left to the right foot,
Left to the right foot,
Left to the right foot,
Out the door,

Black knights,
Who fight alone in the desert heat,
One life,
One life lost,
And now it's clear to me,

Who deserves to live,
Who deserves to die,
Protect the truth from a lie,
Run for your life,

Let's pray for all the sweet lives,
That die with a gun in their hands,
Let's pray for all the sweet lives,
That fight for our lives 'til the end,
'Til the end,
Your life, a sacrifice in the name of love,
Tonight, we greet those who rise above,
Where it is, the body lies,
Without a chance to say good-bye,
Good-bye!

Let's pray for all the sweet lives,
That die with a gun in their hands,
Let's pray for all the sweet lives,
That fight for our lives 'til the end,
'Til the end,
'Til the end,

Fire, Fire at me, Fire, Fire at me,
Fire, Fire at me, Fire, Fire at me,
Fire, Fire at me, Fire, Fire at me,
Fire, Fire at me,
Fire!

Who deserves to live,
Who deserves to die, die, die!
Good-bye!

Let's pray for all the sweet lives,
That die with a gun in their hands,
Let's pray for all the sweet lives,
That fight for our lives 'til the end,
'Til the end,
'Til the end,
