Whatever gets you high
Whenever it gets you through your worries
Affection that you feel
The pain inside your skin can bury

If this road that you take
Is three times luckier
The earth is gonna shake
And the restless souls will come for you

Honest I'll wait
'Til the wave crashes over me
In wide open space
Your sound fills the rest of me

No matter how I try
I can't escape this way I'm feeling
The long-gone running hard
I turn to face the wave that heals me

If this road that you take
Is three times luckier
The earth is gonna shake
And the restless souls come for you

Honest I'll wait
'Til the wave crashes over me
In wide open space
Your sound fills the rest of me

Honest I'll wait (I will wait)
'Til the wave crashes over me (I will wait)
In wide open space (I will wait)
Your sound fills the rest of me
The rest of me, the rest of me

Honest I'll wait
Honest I'll wait
'Til the sun reveals a shine
Honest I'll, I will wait

Whoah-oh oh

Whoah-oh oh

Whoah-oh oh
Whoah-oh oh

Whoah-oh oh
Whoah-oh oh

Whoah-oh oh
Whoah-oh oh

Whoah-oh oh, yeah (Whatever gets you higher)
Whoah-oh oh (Whatever gets you higher)
