THE GUN DID NOT KNOW I WAS LOADED

Woke up on a Monday
Shattered as the window
Picking up the pieces
Why you and me would never be

Never saw it coming
Hit me like a psycho
Under the influence
Of anything and everything

Don't know where I'll go, when I'll go
But maybe you should hide

Whoah, hell yeah
The gun never knows when I'm loaded
Whoah, hell yeah
I lost my mind and said good-bye

She loves me with the limelight
Drowns me with affection
Something doesn't feel right
What I know, just let me go

Judas she's becoming
It wasn't my intention
Loading under pressure
Like gasoline all over me

Don't know why I do what I do
Was it something that you liked?

Whoah, hell yeah
The gun never knows when I'm loaded
Whoah, hell yeah
Close your eyes and say good-bye

Whoah-oh, whoah-oh
Whoah, hell yeah
The gun never knows, the gun never knows
Whoah, hell yeah

Whoah-oh, whoah-oh

THE GUN DID NOT KNOW I WAS LOADED

Whoah, hell yeah

The gun never knows when I'm loaded

Whoah, hell yeah

The gun never knows when I'm loaded

Whoah, hell yeah

Close your eyes and say good-bye

Loaded, I was loaded

I was loaded (Close your eyes and say good-bye)

I was loaded

I was loaded

I was loaded (Close your eyes and say good-bye)
