"Move On"

You fade away, on top of broken dreams
And take it all from me, separate my heart from body
Please forgive me, I'm not used to this kind of thing
I once thought things would last forever, and now it's
over
For all it's worth, I'm a broken man
Running against a better hand
In the end the sky came falling
Over our heads
You separate my heart from body baby
Please understand
In my mind, in my heart, you're all that I find
Bury my head in my arms upon the table
Old flames die hard when you're holding the cards
You were dealt hearts that you never should have
folded
Can't stop when it's all down on the table
Give me a sign, show me something so divine
For all it's worth, I'm a broken man
Running against a better hand
In the end the sky came falling
Over our heads
You separate my heart from body baby
Please understand
All I know is I'm a sucker for you
I'm done, move on, our time was once upon
we're dead, to me, you're dead, sweet dreams
For all it's worth, I'm a broken man
Running against a better hand
In the end the sky came falling
Over our heads
You separate my heart from body baby
Please understand
